About X2.0

X2.0 is a deeptech growth programme that seeks to ensure the scaling up of EU deeptech startups by providing custom, industry-focused, growth programme that will act as a catalyst in delivering market-ready applications and technology solutions in 5 key impact areas: Manufacturing & Circular Economy, AgriTech, HealthTech & BioTech, Smart Cities and Sustainability, and Data & A.I.).

The project will distribute €1.5M in innovation and scaling up services to 50 deep-tech startups. From November 2022 to November 2024, the project will launch five open calls to help startups scale and boost impact.
